

LESLIE SEQUEIRA

Chief Information Officer

Leslie Sequeira is chief information officer for Avient Corporation, a premier provider of specialized and sustainable material solutions and services.

Mr. Sequeira joined Avient in May 2024, bringing nearly 25 years of experience in information technology to this role. He is responsible for enabling business strategies through innovative tools, data, digitalization, and artificial intelligence while ensuring the security of data and systems.

Before joining Avient, Mr. Sequeira most recently served as CIO for Patrick Industries, a leading component solutions provider for the recreational vehicle, marine, housing and power sports markets. There, he drove a new technology go-to-market strategy that created competitive advantage, including leading the adoption of advanced technologies such as robotics, AI, and cutting-edge cybersecurity tools and frameworks. Previously, he spent 17 years at Toyota Material Handling, where he built and implemented a digital transformation strategy to improve operations and the customer experience.

Mr. Sequeira earned his Bachelor's degree in Computer Science and Master's degree in Business Administration in Finance from the University of Bombay in India.
