1. PRODUCT AND COMPANY IDENTIFICATION

POLYONE CORPORATION 33587 Walker Road, Avon Lake, OH 44012

| Telephone Emergency telephone | : | Product Stewardship (770) 271-5902 CHEMTREC 1-800-424-9300 (24hrs for spill, leak, fire, exposure or accident). |
|----------------------------------|---|-----------------------------------------------------------------------------------------------------------------------|
| Product name | : | WHITE |
| Product code | : | CC10001105 |
| Chemical Name | : | Mixture |
| CAS-No. | : | Mixture |
| Product Use | : | Industrial Applications |

2. COMPOSITION/INFORMATION ON REGULATED INGREDIENTS

| Components | CAS-No. | Weight % | |
|------------------|------------|----------|--|
| Titanium dioxide | 13463-67-7 | 30 - 60 | |

3. HAZARDS IDENTIFICATION

EMERGENCY OVERVIEW

This mixture has not been evaluated as a whole. Information provided on the health effects of this product is based on individual components. All ingredients are bound and potential for hazardous exposure as shipped is minimal. However, some vapors may be released upon heating and the end-user (fabricator) must take the necessary precautions (mechanical ventilation, respiratory protection, etc.) to protect employees from exposure.

POTENTIAL HEALTH EFFECTS

| Routes of Exposure: | : Inhalation, Ingestion, Skin contact |
|-----------------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------|
| Acute exposure | |
| Inhalation Ingestion | Resin particles, like other inert materials, can be mechanically irritating.May be harmful if swallowed. |
| Eyes | : Resin particles, like other inert materials, are mechanically irritating to eyes. |
| Skin | : Experience shows no unusual dermatitis hazard from routine handling. |
| Chronic exposure | : Refer to Section 11 for Toxicological Information. |
| Medical Conditions Aggravated by Exposure: | : None known. |

| | 4. FIRST AID N | AEASURES | | |
|------------------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------------------------------------------------------|--|--|
| Inhalation | : Move to fresh air in case of accidental inhalation of fumes from overheating or combustion. When symptoms persist or in all case doubt seek medical advice. | | | |
| Ingestion | | niting without medical advice. When symptoms ses of doubt seek medical advice. | | |
| Eyes | | with plenty of water, also under the eyelids, for at If eye irritation persists, seek medical attention. | | |
| Skin | Wash off with soa medical attention. | p and plenty of water. If skin irritation persists seek | | |
| | 5. FIRE-FIGHTIN | IG MEASURES | | |
| Flash point | Not applicable | | | |
| Flammable Limits Upper explosion limit Lower explosion limit Autoignition temperature | Not applicable Not applicable Not applicable | | | |
| Suitable extinguishing media | 11 | anket, Water spray, Dry powder, Foam. | | |
| Special Fire Fighting Procedures | | ained breathing apparatus (SCBA) used in positive buld be worn to prevent inhalation of airborne | | |
| Unusual Fire/Explosion Hazards | : Carbon dioxide (CO2), carbon monoxide (CO), oxides of nitrogen (NOx), other hazardous materials, and smoke are all possible. | | | |
| | CCIDENTAL REI | LEASE MEASURES | | |
| Personal precautions | | personal protection during cleanup, such as , boots and coveralls. | | |
| Environmental precautions | | ased into the environment. The product should not r drains, water courses or the soil. | | |
| Methods for cleaning up | plastic, cardboard | y by sweeping or vacuum. Package all material in or metal containers for disposal. Refer to Section 13 proper disposal methods. | | |
| | 7. HANDLING A | ND STORAGE | | |
| Handling | | prevent the build up of electrostatic charge. Heat appropriate exhaust ventilation. | | |
| Storage | Keep containers d | ry and tightly closed to avoid moisture absorption | | |

MATERIAL SAFETY DATA SHEET **WHITE**

Version Number 1.1 Page 4 of 6 Print Date 11/29/2011 Revision Date 05/30/2007 decomposition, do not overheat. Incompatible Materials : Incompatible with strong acids and oxidizing agents. Hazardous decomposition Carbon dioxide (CO2), carbon monoxide (CO), oxides of nitrogen : (NOx), other hazardous materials, and smoke are all possible. products 11. TOXICOLOGICAL INFORMATION This mixture has not been evaluated as a whole for health effects. Exposure effects listed are based on existing health data for the individual components which comprise the mixture. Toxicity Overview This product contains the following components which in their pure form have the following characteristics: Target Organ CAS-No. Chemical Name Effect 13463-67-7 Systemic effects Titanium dioxide Respiratory system. Carcinogenicity This product contains the following components which, in their pure form, have the following carcinogenicity data: Chemical Name OSHA IARC NTP CAS-No. 13463-67-7 Titanium dioxide 2B no no IARC Carcinogen Classifications: 1 - The component is carcinogenic to humans. 2A - The component is probably carcinogenic to humans. 2B - The component is possibly carcinogenic to humans. NTP Carcinogen Classifications: 1 - The component is known to be a human carcinogen. 2 - The component is reasonably anticipated to be a human carcinogen. **12. ECOLOGICAL INFORMATION** Persistence and degradability Not readily biodegradable. : **Environmental Toxicity** Chemicals are not readily available as they are bound within the : polymer matrix. **Bioaccumulation Potential** Chemicals are not readily available as they are bound within the • polymer matrix. Additional advice : No data available

13. DISPOSAL CONSIDERATIONS

: Like most thermoplastic plastics the product can be recycled. Where possible recycling is preferred to disposal or incineration. The

Product
