### 2. COMPOSITION/INFORMATION ON HAZARDOUS INGREDIENTS

There are no known hazardous components above regulatory thresholds in this product.

## **3. HAZARDS IDENTIFICATION**

### **EMERGENCY OVERVIEW**

This mixture has not been evaluated as a whole. Information provided on the health effects of this product is based on individual components. All ingredients are bound and potential for hazardous exposure as shipped is minimal. However, some vapors may be released upon heating and the end-user (fabricator) must take the necessary precautions (mechanical ventilation, respiratory protection, etc.) to protect employees from exposure.

#### POTENTIAL HEALTH EFFECTS

| <b>Routes of Exposure:</b>                    | : Inhalation, Ingestion, Skin contact                                                                                                                                                                                                                                                                           |
|-----------------------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Acute exposure                                |                                                                                                                                                                                                                                                                                                                 |
| Inhalation<br>Ingestion<br>Eyes<br>Skin       | <ul> <li>Resin particles, like other inert materials, can be mechanically irritating.</li> <li>May be harmful if swallowed.</li> <li>Resin particles, like other inert materials, are mechanically irritating to eyes.</li> <li>Experience shows no unusual dermatitis hazard from routine handling.</li> </ul> |
| Chronic exposure                              | : Refer to Section 11 for Toxicological Information.                                                                                                                                                                                                                                                            |
| Medical Conditions<br>Aggravated by Exposure: | : None known.                                                                                                                                                                                                                                                                                                   |

# PUMP BLUE

Version Number 1.0 Revision Date 11/15/2002 Page 4 of 5 Print Date 11/6/2011

There are no known hazardous components above regulatory thresholds in this product.

|                               | 12. ECOLOGICAL INFORMATION                                                                                                                                                                                                                                                                                                     |  |  |  |
|-------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--|--|--|
| Persistence and degradability | : Not readily biodegradable.                                                                                                                                                                                                                                                                                                   |  |  |  |
| Environmental Toxicity        | : Chemicals are not readily available as they are bound within the matrix of the polymer.                                                                                                                                                                                                                                      |  |  |  |
| Bioaccumulation Potential     | : Chemicals are not readily available as they are bound within the matrix of the polymer.                                                                                                                                                                                                                                      |  |  |  |
| Additional advice             | : No data available.                                                                                                                                                                                                                                                                                                           |  |  |  |
| 13. DISPOSAL CONSIDERATIONS   |                                                                                                                                                                                                                                                                                                                                |  |  |  |
| Product                       | : Like most thermoplastics the product can be recycled. Where possible, recycling is preferred to disposal or incineration. The generator of waste material has the responsibility for proper waste classification, transportation and disposal in accordance with applicable federal, state/provincial and local regulations. |  |  |  |
| Contaminated packaging        | : Recycling is preferred when possible. The generator of waste materia has the responsibility for proper waste classification, transportation and disposal in accordance with applicable federal, state/provincial and local regulations.                                                                                      |  |  |  |
|                               | 14.
