## 1. PRODUCT AND COMPANY IDENTIFICATION

#### POLYONE CORPORATION 33587 Walker Road, Avon Lake, OH 44012

NON-EMERGENCY TELEPHONE	:	Product Stewardship (770) 271-5902
Emergency telephone number	:	CHEMTREC 1-800-424-9300 (24hrs for spill, leak, fire, exposure or accident).
Product name	:	GREEN
Product code	:	CC10032713
Chemical Name	:	Mixture
CAS-No.	:	Mixture
Product Use	:	Industrial Applications

#### 2. COMPOSITION/INFORMATION ON HAZARDOUS INGREDIENTS

Components	CAS-No.	Weight %
Carbon black	1333-86-4	1 - 5
Rutile, antimony chromium buff	68186-90-3	1 - 5
Titanium dioxide	13463-67-7	1 - 5
Calcium carbonate	1317-65-3	10 - 30

### **3. HAZARDS IDENTIFICATION**

#### **EMERGENCY OVERVIEW**

This mixture has not been evaluated as a whole. Information provided on the health effects of this product is based on individual components. All ingredients are bound and potential for hazardous exposure as shipped is minimal. However, some vapors may be released upon heating and the end-user (fabricator) must take the necessary precautions (mechanical ventilation, respiratory protection, etc.) to protect employees from exposure.

#### POTENTIAL HEALTH EFFECTS

<b>Routes of Exposure:</b>	: Inhalation, Ingestion, Skin contact
Acute exposure	
Inhalation Ingestion Eyes	<ul> <li>Resin particles, like other inert materials, can be mechanically irritating.</li> <li>May be harmful if swallowed.</li> <li>Resin particles, like other inert materials, are mechanically irritating to eves.</li> </ul>
Skin	: Experience shows no unusual dermatitis hazard from routine handling.
Chronic exposure	: Refer to Section 11 for Toxicological Information.

Medical Conditions Aggravated by Exposure:       : None known.         Aggravated by Exposure:       .         Inhalation       : Move to fresh air in case of accidental inhalation of fumes overheating or combustion. When symptoms persist or in doubt seek medical advice.         Ingestion       : Do not induce vomiting without medical advice. When sy persist or in all cases of doubt seek medical advice.         Eyes       : Rinse immediately with plenty of water, also under the ey least 15 minutes. If eye irritation persists, seek medical at         Skin       : Wash off with soap and plenty of water. If skin irritation medical attention.         Imagestion       : Not applicable         Flash point       : Not applicable         Flammable Limits       : Not applicable         Upper explosion limit       : Not applicable         Autoignition temperature       : Not applicable         Stitable extinguishing media       : Carbon dioxide blanket, Water spray, dry powder, foam.         Special Fire Fighting       : Fullface self-contained breathing apparatus (SCBA) used procedures         Procedures       : None         Hazards       : None         Hazards       : Wear appropriate personal protection during cleanup, sucl impervious gloves, boots and coveralls.         Environmental precautions       : Should not be released into the environment. The produc be allowed to enter drains, water courses or the soil.	
Inhalation       :       Move to fresh air in case of accidental inhalation of fumes overheating or combustion. When symptoms persist or in doubt seek medical advice.         Ingestion       :       Do not induce vomiting without medical advice. When symptoms persist or in all cases of doubt seek medical advice.         Eyes       :       Rinse immediately with plenty of water, also under the ey least 15 minutes. If eye irritation persists, seek medical at         Skin       :       Wash off with soap and plenty of water. If skin irritation medical attention. <b>5. #### 11. TOXICOLOGICAL INFORMATION

This mixture has not been evaluated as a whole for health effects. Exposure effects listed are based on existing health data for the individual components which comprise the mixture.

#### **Toxicity Overview**

This product contains the following components which in their pure form have the following characteristics:

CAS-No.	Chemical Name	Effect	Target Organ
1333-86-4	Carbon black	Systemic effects	Eyes, Respiratory system.
68186-90-3	Rutile, antimony	Irritant	Eyes, Skin, Respiratory system.
	chromium buff		
13463-67-7	Titanium dioxide	Systemic effects	Respiratory system.
1317-65-3	Calcium carbonate	Irritant	Eyes, Skin.
		Systemic effects	Eyes, Skin, Respiratory system.

LC50 / LD50

This product contains the following components which in their pure form have the following toxicity data:

CAS-No.	Chemical Name	Route	Value	Species
1333-86-4	Carbon black	Oral LD50	>15,400 mg/kg	rat
		Dermal LD50	> 3  gm/kg	rabbit

Carcinogenicity:

This product contains the following components which in their pure form have the following carcinogenicity data:

CAS-No. Chemical Name OSHA IARC NTP
-------------------------------------

# MATERIAL SAFETY DATA SHEET

IARC Carcinogen Classificatio 1 - The component is carcinoge 2A - The component is probabl 2B - The component is possibly	enic to humans. y carcinogenic to human					
NTP Carcinogen Classification 1 - The component is known to 2 - The component is reasonabl	be a human carcinogen.					
Additional Health Hazard Information: Carbon black 1333-86-4 Carcinogenicity: Many inhalation toxicologists believe that the tumor response observed in the referenced rat studies is species specific and does not correlate to human exposure. However, the IARC evaluation in Monograph Volume 65, issued in April 1996 concluded t "There is sufficient evidence in experimental animals for the carcinogenicity of carbon black". Base this evaluation, along with their evaluation of inadequate evidence of carcinogenicity in humans, IAR overall evaluation is that "Carbon Black is possibly carcinogenic to humans (Group 2B). Carbon Black has not been listed as a carcinogen by the National Toxicology Program (NTP) or the Occupational Sa and Health Administration (OSHA). The National Institute of Occupational Safety and Health (NIO criteria document on carbon black recommends that only carbon black with PAH (polynuclear arom hydrocarbon) levels greater than 0.1% be considered suspect carcinogens. <u>Additional Health Hazard Information:</u> Rutile, antimony chromium buff 68186-90-3 Can cause eye irritation.
