## MATERIAL SAFETY DATA SHEET **PG 96236.00 RD PP SL**

Version Number 1.0 Revision Date 01/31/2007

Page 1 of 6 Print Date 11/26/2011

#### 1. PRODUCT AND COMPANY IDENTIFICATION

#### POLYONE CORPORATION 33587 Walker Road, Avon Lake, OH 44012

| Telephone<br>Emergency telephone<br>number | : | Product Stewardship (770) 271-5902<br>CHEMTREC 1-800-424-9300 (24hrs for spill, leak, fire, exposure<br>or accident). |
|--|---|---|
| Product name                               | : | PG 96236.00 RD PP SL  |
| Product code                               | : | CC10096236  |
| Chemical Name                              | : | Mixture   |
| CAS-No.                                    | : | Mixture   |
| Product Use                                | : | Industrial Applications   |

### 2. COMPOSITION/INFORMATION ON REGULATED INGREDIENTS

| Components       | CAS-No.    | Weight % |
|------------------|------------|----------|
| Titanium dioxide | 13463-67-7 | 1 - 5    |

### **3. HAZARDS IDENTIFICATION**

#### **EMERGENCY OVERVIEW**

This mixture has not been evaluated as a whole. Information provided on the health effects of this product is based on individual components. All ingredients are bound and potential for hazardous exposure as shipped is minimal. However, some vapors may be released upon heating and the end-user (fabricator) must take the necessary precautions (mechanical ventilation, respiratory protection, etc.) to protect employees from exposure.

#### POTENTIAL HEALTH EFFECTS

| <b>Routes of Exposure:</b>                    | : Inhalation, Ingestion, Skin contact   |
|---|---|
| Acute exposure                                |   |
| Inhalation<br>Ingestion<br>Eyes               | <ul> <li>Resin particles, like other inert materials, can be mechanically irritating.</li> <li>May be harmful if swallowed.</li> <li>Resin particles, like other inert materials, are mechanically irritating to</li> </ul> |
| Skin  | eyes.<br>: Experience shows no unusual dermatitis hazard from routine handling.   |
| Chronic exposure                              | : Refer to Section 11 for Toxicological Information.  |
| Medical Conditions<br>Aggravated by Exposure: | : None known.   |

PolyOne.

## MATERIAL SAFETY DATA SHEET **PG 96236.00 RD PP SL**

Version Number 1.0 Revision Date 01/31/2007 Page 2 of 6 Print Date 11/26/2011

|                                     |       | 4. FIRST AID MEASURES   |  |  |  |  |
|-------------------------------------|-------|---|--|--|--|--|
| Inhalation                          | :     | Move to fresh air in case of accidental inhalation of fumes from<br>overheating or combustion. When symptoms persist or in all cases of<br>doubt seek medical advice.               |  |  |  |  |
| Ingestion                           | :     | Do not induce vomiting without medical advice. When symptoms persist or in all cases of doubt seek medical advice.  |  |  |  |  |
| Eyes                                | :     | Rinse immediately with plenty of water, also under the eyelids, for at least 15 minutes. If eye irritation persists, seek medical attention.  |  |  |  |  |
| Skin                                | :     | Wash off with soap and plenty of water. If skin irritation persists seek medical attention.   |  |  |  |  |
|                                     | 1     | 5. FIRE-FIGHTING MEASURES   |  |  |  |  |
| Flash point                         | :     | Not applicable  |  |  |  |  |
| Flammable Limits                    |       |   |  |  |  |  |
| Upper explosion limit               |       | Not applicable  |  |  |  |  |
| Lower explosion limit               | :     | Not applicable  |  |  |  |  |
| Autoignition temperature            | :     | Not applicable  |  |  |  |  |
| Suitable extinguishing media        | :     | Carbon dioxide blanket, water spray, dry powder, foamnone.  |  |  |  |  |
| Special Fire Fighting<br>Procedures | :     | Fullface self-contained breathing apparatus (SCBA) used in positive pressure mode should be worn to prevent inhalation of airborne contaminants.                                    |  |  |  |  |
| Unusual Fire/Explosion<br>Hazards   | :     | Carbon dioxide (CO2), carbon monoxide (CO), oxides of nitrogen (NOx), other hazardous materials, and smoke are all possible.  |  |  |  |  |
|                                     | 6. A( | CCIDENTAL RELEASE MEASURES  |  |  |  |  |
| Personal precautions                | :     | Wear appropriate personal protection during cleanup, such as impervious gloves, boots and coveralls.  |  |  |  |  |
| Environmental precautions           | :     | Should not be released into the environment. The product should not<br>be allowed to enter drains, water courses or the soil.   |  |  |  |  |
| Methods for cleaning up             | :     | Clean up promptly by sweeping or vacuum. Package all material in plastic, cardboard or metal containers for disposal. Refer to Section 13 of this MSDS for proper disposal methods. |  |  |  |  |
|                                     |       | 7. HANDLING AND STORAGE   |  |  |  |  |
| Handling                            | :     | Take measures to prevent the build up of electrostatic charge. Heat only in areas with appropriate exhaust ventilation.   |  |  |  |  |
| Storage                             | :     | Keep containers dry and tightly closed to avoid moisture absorption   |  |  |  |  |
