#### **3. HAZARDS IDENTIFICATION**

#### **EMERGENCY OVERVIEW**

This mixture has not been evaluated as a whole. Information provided on the health effects of this product is based on individual components. All ingredients are bound and potential for hazardous exposure as shipped is minimal. However, some vapors may be released upon heating and the end-user (fabricator) must take the necessary precautions (mechanical ventilation, respiratory protection, etc.) to protect employees from exposure.

### POTENTIAL HEALTH EFFECTS

| : Inhalation, Ingestion, Skin contact   |
|---|
|   |
| : Resin particles, like other inert materials, can be mechanically irritating.      |
| : May be harmful if swallowed.  |
| : Resin particles, like other inert materials, are mechanically irritating to eyes. |
| : Experience shows no unusual dermatitis hazard from routine handling.              |
| : Refer to Section 11 for Toxicological Information.                                |
