## MATERIAL SAFETY DATA SHEET **STAN-TONE 82SMB02 RED**

Version Number 1.2 Revision Date 02/14/2007

Page 1 of 6 Print Date 11/26/2011

#### 1. PRODUCT AND COMPANY IDENTIFICATION

#### POLYONE CORPORATION 8155 Cobb Center Drive, Kennesaw, GA 30152

| Telephone<br>Emergency telephone<br>number | : | Product Stewardship (770) 590-3500 x.3563<br>CHEMTREC 1-800-424-9300 (24hrs for spill, leak, fire, exposure<br>or accident). |
|--|---|--|
| Product name                               | : | STAN-TONE 82SMB02 RED  |
| Product code                               | : | FO20008055   |
| Chemical Name                              | : | Mixture  |
| CAS-No.                                    | : | Mixture  |
| Product Use                                | : | Industrial Applications  |

### 2. COMPOSITION/INFORMATION ON REGULATED INGREDIENTS

| Components | CAS-No.   | Weight % |
|------------|-----------|----------|
| Iron oxide | 1309-37-1 | 60 - 100 |

#### **3. HAZARDS IDENTIFICATION**

#### **EMERGENCY OVERVIEW**

This mixture has not been evaluated as a whole. Information provided on the health effects of this product is based on individual components. All ingredients are bound and potential for hazardous exposure as shipped is minimal. However, some vapors may be released upon heating and the end-user (fabricator) must take the necessary precautions (mechanical ventilation, respiratory protection, etc.) to protect employees from exposure.

#### POTENTIAL HEALTH EFFECTS

| <b>Routes of Exposure:</b>                    | : Inhalation, Ingestion, Skin contact   |
|---|---|
| Acute exposure                                |   |
| Inhalation<br>Ingestion                       | <ul><li>Resin particles, like other inert materials, can be mechanically irritating.</li><li>May be harmful if swallowed.</li></ul> |
| Eyes  | : Resin particles, like other inert materials, are mechanically irritating to eyes.   |
| Skin  | : Experience shows no unusual dermatitis hazard from routine handling.  |
| Chronic exposure                              | : Refer to Section 11 for Toxicological Information.  |
| Medical Conditions<br>Aggravated by Exposure: | : None known.   |

PolyOne.

# MATERIAL SAFETY DATA SHEET **STAN-TONE 82SMB02 RED**

Version Number 1.2 Revision Date 02/14/2007 Page 2 of 6 Print Date 11/26/2011

|                                     | 4. FIRST AID MEASURES  |
|-------------------------------------|--|
| Inhalation                          | : Move to fresh air in case of accidental inhalation of fumes from overheating or combustion. When symptoms persist or in all cases o doubt seek medical advice.                     |
| Ingestion                           | : Do not induce vomiting without medical advice. When symptoms persist or in all cases of doubt seek medical advice.   |
| Eyes                                | : Rinse immediately with plenty of water, also under the eyelids, for at least 15 minutes. If eye irritation persists, seek medical attention.                                       |
| Skin                                | : Wash off with soap and plenty of water. If skin irritation persists see medical attention.   |
|                                     | 5. FIRE-FIGHTING MEASURES  |
| Flash point                         | : Not applicable   |
| Flammable Limits                    |  |
| Upper explosion limit               | : Not applicable   |
| Lower explosion limit               | : Not applicable   |
| Autoignition temperature            | : Not relevant   |
| Suitable extinguishing media        | : water spray, dry powder, foam, carbon dioxide (CO2).   |
| Special Fire Fighting<br>Procedures | : Fullface self-contained breathing apparatus (SCBA) used in positive pressure mode should be worn to prevent inhalation of airborne contaminants.                                   |
| Unusual Fire/Explosion<br>Hazards   | : Carbon dioxide (CO2), carbon monoxide (CO), oxides of nitrogen (NOx), other hazardous materials, and smoke are all possible.   |
|                                     | 6. ACCIDENTAL RELEASE MEASURES   |
| Personal precautions                | : Wear appropriate personal protection during cleanup, such as impervious gloves, boots and coveralls.   |
| Environmental precautions           | : Should not be released into the environment. The product should not be allowed to enter drains, water courses or the soil.   |
| Methods for cleaning up             | : Clean up promptly by sweeping or vacuum. Package all material in plastic, cardboard or metal containers for disposal. Refer to Section 1 of this MSDS for proper disposal methods. |
|                                     | 7. HANDLING AND STORAGE  |
| Handling                            | : Take measures to prevent the build up of electrostatic charge. Heat only in areas with appropriate exhaust ventilation.  |
| Storage                             | : Keep containers dry and tightly closed to avoid moisture absorption  |

| 8. EXPOSURE CONTROLS / PERSONAL PROTECTION |   |  |  |  |
|--|---|--|--|--|
| Respiratory protection                     | : | No personal respiratory protective equipment normally required when<br>handling the product itself. See "Engineering Measures" section<br>below for precautions to be taken when heating or processing this<br>material. |  |  |
| Eye/Face Protection                        | : | Safety glasses with side-shields.  |  |  |
| Hand protection                            | : | Protective gloves.   |  |  |
| Skin and body protection                   | : | Long sleeved clothing.   |  |  |
| Additional Protective<br>Measures          | : | Safety shoes.  |  |  |
| General Hygiene<br>Considerations          | : | Handle in accordance with good industrial hygiene and safety practice<br>Wash hands before breaks and at the end of workday.   |  |  |
| Engineering measures                       | : | Heat only in areas with appropriate exhaust ventilation. Adequate ventilation and/or appropriate respiratory protection may also be necessary to minimize employee exposure to processing vapors.                        |  |  |

## MATERIAL SAFETY DATA SHEET **STAN-TONE 82SMB02 RED**

Version Number 1.2 Revision Date 02/14/2007 Page 4 of 6 Print Date 11/26/2011

| Hazardous Polymerization         | : | Will not occur.  |
|----------------------------------|---|--|
| Conditions to avoid              | : | Keep away from oxidizing agents and open flame. To avoid thermal decomposition, do not overheat.                             |
| Incompatible Materials           | : | Incompatible with strong acids and oxidizing agents.   |
| Hazardous decomposition products | : | Carbon dioxide (CO2), carbon monoxide (CO), oxides of nitrogen (NOx), other hazardous materials, and smoke are all possible. |

### 11. TOXICOLOGICAL INFORMATION

This mixture has not been evaluated as a whole for health effects. Exposure effects listed are based on existing health data for the individual components which comprise the mixture.

#### Toxicity Overview

This product contains the following components which in their pure form have the following characteristics:

|                         | 12. E       | COLOGIC  | AL INFORMATION                                 | N  |  |
