| Misc00003- Misc Organotin Cpd's | Not Available | 1 - 5    |

### **3. HAZARDS IDENTIFICATION**

#### **EMERGENCY OVERVIEW**

This mixture has not been evaluated as a whole for health effects. Information provided on health effects of this product is based on the individual components. See Sections 3 and 11 for additional details. This product may contain residual vinyl chloride monomer (VCM) (CAS number 75-01-4) below 8.5 ppm (0.00085%). OSHA considers VCM a suspect carcinogen and regulates it under 29 CFR 1910.1017. It is unlikely, under normal working conditions with adequate ventilation, that the OSHA action level and the OSHA exposure limits will be exceeded for residual VCM. However, the user should take the necessary precautions (e.g. mechanical ventilation, local exhaust ventilation, air-monitoring, respiratory protection, etc.) to ensure airborne levels of any vapors including VCM or dusts that may be released during heating or processing are below regulated levels.

#### POTENTIAL HEALTH EFFECTS

| Routes of Exposure:             | : Inhalation, Ingestion, Skin contact   |
|---------------------------------|---|
| Acute exposure                  |   |
| Inhalation<br>Ingestion<br>Eyes | <ul> <li>Resin particles, like other inert materials, can be mechanically irritating.</li> <li>May be harmful if swallowed.</li> <li>Resin particles, like other inert materials, are mechanically irritating to eyes.</li> </ul> |
| Skin                            | : Experience shows no unusual dermatitis hazard from routine handling.  |

PolyOne.

### **11. TOXICOLOGICAL INFORMATION**

This mixture has not been evaluated as a whole for health effects. Exposure effects listed are based on existing health data for the individual components which comprise the mixture.

<u>Toxicity Overview</u> This product contains the following components which in their pure form have the following characteristics:

| CAS-No.       | Chemical Name                      | Effect           | Target Organ  |
|---------------|------------------------------------|------------------|---|
| 1317-65-3     | Calcium carbonate                  | Irritant         | Eyes, Skin.   |
|               |                                    | Systemic effects | Eyes, Skin, Respiratory system.   |
| Not Available | Misc00003- Misc<br>Organotin Cpd's | Systemic effects | Eyes, Skin, Liver, central<br>nervous system, heart or<br>circulatory system. |

## **12. ECOLOGICAL INFORMATION**

| Persistence and degradability | : | Not readily biodegradable.   |
|-------------------------------|---|--|
| Environmental Toxicity        | : | Adverse ecological impact is not known or expected under normal use. |
| Bioaccumulation Potential     | : | No data available.   |
| Additional advice             | : | Not applicable   |
